We are redesigning our **Oxford and Junction branches** and converting them into **Cashless Retail Service Centres** on **April 20, 2020 and October 2, 2020**.

This means we will no longer offer any cash transactions in these branches.

Customers may use our **Full service or Intelligent Deposit Machines** to:

- Deposit Cash or Cheques
- Withdraw Cash
- Withdraw US Dollars
- Transfer Funds Between Accounts
- Check Account Balances
- Top Up Mobile Phones

Customers may still access the following services in branch:

- Applications for Loans or Credit Cards
- Financial Planning
- All Customer Service Related Matters

If you need to access in-branch cash transactions, please visit our any of our other full service branches that is convenient to you.

We look forward to serving you at our redesigned locations.
