

Scotia Premium US Dollar Indexed Fund

Class A

May 2022

Reasons for investing

Inflation protection: US dollar-denominated assets offer protection against local currency devaluation, helping investors maintain purchasing power in the local economy.

Regular income stream: The Fund intends to pay a quarterly distribution.

Convenience: Ease of purchasing the Fund using local Jamaican dollars.

Professional Management: Scotia Investments' Fund Managers have been managing portfolios for over 20 years. They maintain a disciplined approach to fixed income that focuses on credit quality, duration and the interest rate cycle.

Investment objective

The objective of the Fund is to maximize total Jamaican dollar return to investors by primarily investing in a diversified mix of US dollar-denominated fixed income instruments.

Portfolio Manager

Scotia Investments Jamaica Limited ("the Company") is incorporated and domiciled in Jamaica. It is a wholly-owned subsidiary of Scotia Group Jamaica Limited ("Scotia Group") which is incorporated and domiciled in Jamaica.

Important information about the Scotia Premium US Dollar Indexed Fund investment goals, risks, charges and expenses is contained in the Funds' Offering Circular. Copies are available from the financial institution where you are buying the fund and should be read carefully before investing. Funds are not guaranteed by your local Deposit Corporation, other government deposit insurers, The Bank of Nova Scotia, or its subsidiaries/affiliates. Unit values change frequently, investment returns for the funds will fluctuate and you may not get back the original amount you invested. Always consult your professional tax and legal advisors with respect to your particular circumstances. Nothing herein is intended to constitute an offer or solicitation to transact business for products or services in any jurisdiction where such an offer or solicitation would be unlawful. This does not constitute an invitation to purchase or sell shares of the Funds. Past performance is not indicative of future returns. The performance data provided assumes reinvestment of distributions and does not take into account sale charges or fees, redemptions, distribution or income taxes payable by any security holder that would have reduced returns. The calculation of total cumulative returns assumes the reinvestment of all interest income at the unit price immediately after the distribution of interest income. Details on these features are set out in the Offering Circular.

Net Asset Value and fund performance data are all net of all Fund expenses. Return periods less than one year are not annualized. The fund's benchmark is the SJJL Customized US\$ Indexed Bond Benchmark.

Net Asset Value and Annualized % return data are as at May 31, 2022.

Portfolio holdings data and Fund Assets are as at March 31, 2022.
